WHEN we decided to place upon the market our **CHARM** Ceylon Tea, Coffee, Cocoa, Baking Powder, Cream of Tartar, Mustard, etc., we came to the conclusion that it was necessary to advertise it. We have therefore, decided to give the benefit of advertising, namely, the Bonuses, which are illustrated in this Catalogue, to the purchasers of our specialties, instead of spending the large sum of money which is necessary for advertising, and would otherwise be given to the newspapers of this Country.

YOU can, therefore, see that the purchasers of our **CHARM** Ceylon Tea, Coffee, Cocoa, Baking Powder, etc., under this system of advertising, get back that which would otherwise be spent in newspaper advertising.

OUR Bonus system of advertising is no lottery or chance scheme; in each and every package of our **CHARM** Ceylon Tea, Baking Powder, etc., there is a Certificate, representing from ONE to SEVEN coupons, which are exchangeable, and have a purchasing power in securing any of the articles in this Catalogue.

WE ask you to give our Tea, Coffee, Cocoa, Baking Powder, etc., a fair trial, and be convinced of its quality.

WE positively claim the quality of our **CHARM** Ceylon Tea, Coffee, Baking Powder, Mustard, etc., to be equal to any sold at the same price in Canada.

HOW to obtain any of the articles you prefer :

When you have sufficient coupons, you can either hand them to your Grocer, with your name and address, giving the number of the article you prefer, or send 5 cents in stamps, and we will send you the article carefully packed, prepaid.
